EDUCATION

KONGUNADU COLLEGE OF
ENGINEERING AND TECHNOLOGY

- B.Tech - INFORMATION TECHNOLOGY
- 2022-2026.
CGPA : 8.83.

SEVAI SHANTHI MATRICULATION
SCHOOL

- HSC - 82 %
- CHELLAMMAL VIDHYAASHARAM CBSE
SCHOOL
- SSLC - 66 %

SKILLS

- programming
- leader ship
- Effective Communication
- Critical Thinking

PAPER PRESENTATION

- Hacking
- cyber security
- Brain Computer
Interface

PROFILE

I am an IT engineering student with a strong passion for coding and a deep interest in active learning through hands-on projects. I enjoy exploring new technologies and applying my knowledge to solve real-world problems. My curiosity drives me to constantly challenge myself with innovative projects that enhance my skills and broaden my understanding of the field. Through active engagement in coding and project-based learning, I am committed to continuously improving and staying at the forefront of the ever-evolving tech landscape.

CURRENT ENDEAVORS

AWS Cloud Practitioner

2024 - PRESENT

- AWS Cloud Practitioner certification, demonstrating a solid understanding of core AWS services, cloud concepts, security, and architectural best practices. This validates my ability to effectively navigate the AWS platform, laying a strong foundation for further specialization in cloud technologies and contributing to cloud-based projects with a fundamental grasp of AWS environments.

Internship

- Machine Learning , Artificial Intelligence Application using Python - 29 Jun 2024 - 13 July 2024.
- Web Development - 7 Feb 2024 - 21 Feb 2024.

Programming skill

- C 61%
- Python 82%
- Html 90%
- Css 83%

MY CERTIFICATION

- NPTEL - Internet of Things
- EC COUNCIL- Cisco LABS Crash Course
- Mongo DB - Intoduction to mongo DB for students
